Compliance – fatigue and CoR for drivers

Units of Competency:

- TLIF0001 Apply chain of responsibility legislation, regulations and workplace procedures
- TLIF0005 Apply a fatigue risk management system

Overview

This course consists of units of competency in the Transport and Logistics Training Package; it is delivered in a classroom environment, encouraging interaction and knowledge sharing between participants.

This course is targeted at driver operators, work allocators and administrators of freight forwarding companies.

Who is this course for?

Drivers currently, or intending to be, employed by an NHVAS accredited organisation, who want to utilise the flexibility of Basic Fatigue Management and need to understand their responsibility under Chain of Responsibility.

Schedulers of NHVAS accredited organisations needing to understand their and their driver's role in adhering to regulations.

Language, literacy and numeracy skills are required to the level of completing and compiling workplace forms.

Course content

- Fatigue warning signs and strategies to minimise
- Lifestyle choices, sleep, diet or other risks
- Fatigue related accidents and penalties
- Regulation, legislation, permits, licences
- Breaches and consequences under CoR
- Duties and responsibilities of all parties in the chain
- Workplace procedures and industry best practice
